

AGM of the UHS Parents' Association

Tuesday 12 May 2009 at 7:30pm

Presidents Report

The Parents' Association has had another successful year with a regular, committed group of parents attending and working with the school community to promote the importance of parent participation in government secondary school education.

The Parent Association assisted the school community with the New Parents Evening, The Musical Breakfast, The Mid-Year Concert, the Annual Musical, the Art Show and the Booksale.

The Secondhand Booksale was held once again in December and raised over \$11,000.00 for the school. On behalf of the PA I would like to thank the large number of parents who gave up their time during the week preceding the booksale and on the day. Without the support of parent volunteers the event could not have occurred. I would also like to thank Marc and Tulay Sinatra for the overall running of the event and to Fred Sandt-Ole (teacher) and Cheryl Kelly from the school office for their ongoing support.

The role of the PA is constantly undergoing change and will be a challenge for the incoming committee to ensure that the PA continues as a voice for parents at UHS.

In closing I would like to thank the PA Committee of 2009 for their selfless commitment to UHS and I wish the incoming committee a successful year.

Helen Cooney
President
